## PARKING! PARKING! PARKING!

ALL red zones are for emergency vehicles only! If you park your vehicle in any red zone you run the risk of having it towed. To avoid the hassle and expense PLEASE park in designated parking areas ie your carport, your garage or reserved parking spaces. You may park on Strawberry Square streets but no longer than 72 hours or you will run the risk of having your vehicle towed.

Thank you for being a mindful Parker!

If your vehicle has been towed please contact Robellos towing at 408-292-8300

## TENNIS COURTS

The tennis courts are a popular place for residents. That is exactly who they are for. The residents of Strawberry square. There is to be NO commercial use of the Strawberry Square tennis courts.

Thank you for respecting court rules as well as your fellow neighbors who also want to enjoy the use of the tennis courts.  
Keep calm & tennis on!

## Spring Fling Cleaning!

Spring is here! No better time to tidy up those patios and carport areas.

Last month we talked about how to get rid of that unwanted junk properly and easily. The green team is still waiting for your call to schedule your own junk pick up!

There have been some inquiries about how to properly dispose of yard waste. Look at the end of streets close to your homes where the gardeners put grass the grass clippings. When you are busy trimming back your trees and/or shrubs in your patios to keep them from hitting the sides of your building, resting on and damaging the roof and or gutters or just general garden clean up, you are welcome to add your YARD WASTE to the locations where the grass clippings are placed. San Jose garbage/recycling will pick them up! Its as easy as that!

## BASKETBALL STANDARDS

Thank you to those who have removed your basketball standards. Much appreciated! There are still a few out there. It is against Strawberry Square CC&R's to have baseball standards anywhere. To avoid a fine please remove them.
