CANOPY'S AND TENTS

For the past 4 months we have asked all residents to remove the canopy's and tents from the patios and carports in the newsletter. Thank you to those who have already removed yours! Very much appreciated! There are still quite a few out there.

We will be sending letters to those who still have their canopy/tent's up .

To avoid a fine please remove your canopy's/ tents.

Thank you!

UNWANTED ITEMS ARE STILL BEING LEFT ON THE COMMON AREA AS GARBAGE!

It is NOT the gardeners responsibility to pick up your unwanted (garbage) items.

Please help keep Strawberry Square a beautiful place to look at. Instead of dumping your unwanted items (garbage) in the common area, all you have to do is arrange a FREE garbage pick up right at your home!

All you have to do is call the Green Team of San Jose and set an appointment for them to pick up your large item! Best part is this service is FREE!!!

CALL: 408-282-4400

Thank you for your co-operation!!

FIRE LANES AND RED ZONES

Please be mindful and considerate to you neighbors as well as Emergency Vehicles. There have been more people parking in red/fire zones blocking your neighbors cars as well as blocking emergency vehicle zones. To avoid bad neighbor relations and/or the expense and hassle of having your vehicle towed DO NOT PARK IN AREAS MARKED FIRE LANE OR ANY RED ZONES

Thank you!!
