Welcome to SSHOA

COVID-19

With no clear end in sight, the pool and clubhouse have remained closed. We will closely monitor the situation for the next swim season starting up again in the Spring of 2021. In the meantime, we are hoping to secure bids to replace the aging pool deck in the off season. Let us hope for a better 2021!

Fall Tree Trimmings

In October, the tree company will be out to trim many of the trees within the complex. We are targeting trees that are close to the residential buildings. Next Spring, we will be targeting the redwoods and large pine trees.
